HIT GAMES 5 PORTFOLIO

VARIETY! EXCITEMENT! WINNING!

A GAME FOR EVERY PLAYER!

Hit Games 5

JVL's Hit Games 5 collection features 49 player-favorite video games. This versatile game library is sure to have a game for every player! From 5-line, high denomination classics to cutting-edge 100-line stacked symbol free spin delights and everything in between, Hit Games 5 has them all. Every game has configurable denominations and offers multiple RTPs, with many featuring multiple line configurations as well. All games also support two exciting mystery progressive options:

DSAP

- 2 Level Standalone Mystery Progressive.
- Each game displays its own unique customized progressive graphics in the top screen.
- Reset and Must-Hit-Before values are highly configurable.
- Available on Altera, Altera HH, and Maple HH cabinets.

Treasure Hunt Banked Mystery Progressive

- Linked Mystery Progressive bank.
- Configurable from 1 to 6 Progressive Levels.
- Multiple banks can be linked within a property.
- All linked cabinets display custom Treasure Hunt progressive graphics in the top screen.
- Supports JVL Digital Progressive Sign video wall with custom Treasure Hunt display and animations.
