TREASURE HUNT
MYSTERY LINKED
PROGRESSIVE

ALTERA

Treasure Hunt Mystery Progressive is an exciting multi-level banked progressive solution that can be added to any bank of standard JVL multi-games. All progressives are available at any bet, and each level allows both its reset and must-hit-by value to be configured. Dual-screen cabinets automatically display the rich progressive graphics on the top screen.

MAPLE HH

Multiple banks can be linked together within a single property. Treasure Hunt Mystery Progressive supports linking over 100 cabinets within a property. Also available is the stunning first-of-its-kind multi-screen seamless Digital Progressive Video Wall signage shown above. See your account executive for details.
